DIRECTOR'S MESSAGE

The future of transportation is electric, and at Oxovan, we are proud to be part of this transformative journey. With a deep-rooted passion for innovation and a clear vision for a greener tomorrow, we are committed to offering high-performance electric vehicles that not only meet the needs of modern consumers but also contribute to a sustainable planet.

Our vision is to redefine how people move – by developing vehicles that are not just efficient but are also intelligent, safe, and fun to drive. We are continuously pushing the boundaries of technology, design, and sustainability to provide products that deliver excellence in every aspect, from performance to environmental impact.

At Oxovan EV, we believe that clean energy is the key to a cleaner, brighter future. Our goal is to accelerate the adoption of electric vehicles, reduce our collective carbon footprint, and contribute to the global transition to sustainable mobility.

Thank you for joining us on this exciting journey. Together, we can make a positive impact and drive the world towards a greener and more connected future.

OUR FOUNDATION STORY

FOUNDED ON 31 JANUARY 2025

Successfully entered multiple international markets, strengthening our global footprint

PLANT INAUGURATION

We are proud to announce a landmark moment in the journey of Oxovan EV. On 6th July 2025, our state-of-the-art manufacturing plant was inaugurated by Shri A. K. Sukla Ji, Director, Sanvaru Technologies.

Founded on 31st January 2025, Oxovan EV was born out of a bold vision to redefine mobility. What makes our beginning truly special is that it was built on the strength of three determined women and a visionary founder, proving that diversity and inclusivity drive innovation. With Mr. Vikas Rathee as the Co-Founder & COO, Oxovan EV set its course to become a brand that stands for sustainability, empowerment, and progress.

OUR JOURNEY

Oxovan EV began with a simple vision – to create sustainable, reliable, and affordable electric mobility solutions for every household and business in India. From our humble start as an idea to make eco-friendly transport accessible, we have grown into a trusted brand in the electric three-wheeler segment.

With continuous innovation, R&D, and customer-centric design, Oxovan EV has introduced vehicles that combine performance, durability, and comfort. Each milestone in our journey reflects our commitment to cleaner energy, better technology, and empowering livelihoods through e-mobility.
